Any use of a recording device to record a conversation, meeting or other interaction with another Township employee or official without prior written notification shall constitute good cause for immediate termination of employment of the party or parties involved in the recording.

5.5 An employee shall not be coerced or intimidated or suffer any reprisals either directly or indirectly that may adversely affect his hours, wages, or working conditions as the result of the exercise of his/her rights under this agreement.

6. Hours of Work:

6.1 For payroll purposes, the normal hours of work for employees of the Police Department shall be based on a twenty-eight day cycle and one hundred sixty hour work period. Scheduling of patrol officers shall be a management prerogative left to the discretion of the Chief of Police, in accordance and consistent with the Township's rights as set forth in this Agreement, and shall consist of three work shifts, each containing a maximum of twelve hours.

6.2 In order to deal with matters involving a great public inconvenience or a public threat, the Township reserves the right to re-schedule personnel during the work cycle on a temporary basis to best meet the situation.

7. Grievance Procedure:

7.1 A grievance, as used in this Agreement, is defined as an alleged breach, misinterpretation or misapplication of the terms of this Agreement. Matters within jurisdiction of the Department of Personnel, including but not limited to suspensions, reductions in rank, discharges or any other administrative action affecting the classification or status of an employee, are not subject to the grievance procedure.

7.2 No settlement of a grievance shall contravene the provisions of this Agreement.

The written grievance shall be dated and signed by the aggrieved party and shall set forth the facts upon which the grievance is based, including dates and names of other persons involved, the provision(s) of this Agreement that are alleged to have been violated, and the remedy desired. The aggrieved person shall serve a copy of the written grievance upon the Chief of Police and upon the President of the Association. The Chief of Police shall attempt to adjust the matter within fifteen (15) days by meeting with the aggrieved person and shall render a decision.

7.5 If the aggrieved person is not satisfied with the decision required in Section 7.4, or if no decision is rendered within the established period, the grievance and the decision of the Chief of Police, if any, shall be presented, in writing, to the Township Administrator within five (5) days after the decision is rendered or after the expiration of the five (5) day period, if no decision is rendered. The Township Administrator or the designated representative of the Township Administrator shall meet with the aggrieved person, the President of the Association and the Chief of Police. The decision of the Township Administrator shall be rendered, in writing, within thirty (30) days after the grievance is presented to the Township Administrator with copies to the Township Committee and to the President of the Association.

Each side shall bear its own costs with respect to representation and presentation of the grievance and the Association and the

Township shall share equally in the fees and cost of the Arbitrator. No individual member shall have the right to file for arbitration without the authorization and consent of the Association.

7.8 If a grievance is not appealed within the time limits set forth above, the grievance shall be deemed settled.

8. Salary:

8.1 The schedule attached hereto as "Schedule A" is incorporated herein as the respective annual salaries and the hourly rates for such purposes as an hourly rate is required. It is the intention of this Agreement to provide for an increase in the annual salaries at the following percentage rates in each of the contract years:

1993 - 4.25%	1996 - 4.25%
1994 - 4.75%	1997 - 4.50%
1995 - 4.25%	

8.2 The Annual Salary Schedule established for each year shall be effective as of January 1 of the applicable year.

8.3 Annual Salaries and Paydays:

8.3.1 All annual salaries as represented on the annual salary schedule, reflect the total annual salary to be paid to the employee based upon the normal working schedule of 2080 hours in the calendar year.

8.3.2 Whenever it shall be necessary to determine an hourly rate of pay for overtime purposes, the appropriate hourly rate shall be determined by dividing the total of the established annual salary plus the appropriate college incentive pay (if any) plus the individual longevity payment by 2080.

8.3.3 In addition to the annual salary, a member, with the exception of a Special Law Enforcement Officer, shall be allowed a shift differential at the rate of thirty cents (\$.30) per hour for work during the 3:00 p.m. to 7:00 a.m. shift and forty five cents (\$.45) per hour for overtime work during the 3:00 p.m. to 7:00 a.m. shift.

8.3.4 Newly appointed sergeants shall reach the salary of the top sergeant after three years. The length of time for a newly appointed patrolman to reach the salary of the top patrolman is set at five years. An incremental schedule approved by the Township Committee for the term of this agreement shall become an addendum to this contract by June 30th, 1995. All incremental salary adjustments shall become effective with the payroll period beginning after the anniversary date.

8.3.5 All longevity and holiday pay obligations set forth in this Agreement shall be combined with the member's annual salary for the purpose of pension reports and deductions, to the extent permitted by law, and the regulations of the

applicable pension system. The resulting combined annual salary with longevity and holiday pay shall be paid out on a weekly basis.

9. Overtime:

9.1 Any member employee who shall work more than 160 hours during the established 28 day work cycle shall be compensated for the hours worked over 160 at one and one-half times his normal hourly rate as calculated in Section 8.3.2.

9.2 All employees are subject to being called for duty in an emergency. Whenever reasonably possible, employees scheduled for vacation shall be the last to be called for emergency duty.

9.3 When a member of the Association is called back to work at a time when he is not scheduled to work, that person shall be guaranteed a minimum of two hours (2) on each such occurrence and be paid accordingly.

9.4 When a member of the Association is called in for a court appearance arising out of his authorized duties as Delanco Township Police Officer, at a time when he is not scheduled to work, that person shall work for a minimum of four hours (4) on each such occurrence and be paid accordingly. If the court appearance lasts for less than the minimum four hours, the remaining time necessary to make up for the four hours shall be utilized for other police related duties at the discretion of the Chief of Police.

9.5 In the event that the Township received grants for law enforcement purposed that specifically cover overtime pay, the Township will utilize the funds allocated for overtime pay for overtime compensation. Nothing in this section shall be construed so as to require the use of overtime where it is not necessary or appropriate or to require any overtime assignments which extend beyond the specific overtime allocation within the terms of the grant.

10. Longevity:

10.1 Longevity will be paid to the employees covered by this Agreement in accordance with the provisions of this section.

10.2 The annual longevity payment to which an employee shall be entitled under this section shall be added to the annual salary for the employee and shall be paid with the regular payroll. Anyone entitled to longevity shall have completed by January 1 of the year of entitlement the necessary years of service or longevity stated as a percentage of his annual salary and shall be prorated to deduct those months during the year that the officer did not qualify for longevity.

Example: An officer has seven years of service on March 31. The end of seven years service equals three (3) percent longevity. The officer's annual salary multiplied by three

(3) percent, divided by twelve (12) months, multiplied by nine (9) months (the number of months eligible) equals the longevity pay for the year of entitlement.

When the officer reaches the next level of longevity the longevity shall be prorated at each percentage for the number of months of eligibility.

10.3 A member who has completed the indicated number of years of continuous full-time employment with the Township shall be entitled to the following specified longevity payment.

END OF YEARS OF SERVICE	PERCENTAGE
5 years	2%
7 years	3% (The above percentage plus 1%)
12 years	5% (The above percentage plus 2%)
20 years	7% (The above percentage plus 2%)

11. Uniform Allowance: The Township agrees to budget annually a sum of money to be used by the Police Department for the purchasing of uniforms for its officers. The sum budgeted shall represent seven hundred and fifty (\$750.00) dollars per uniformed member of the Police Department for the purchase of uniforms, and purchases made shall be on vouchers. It is further agreed that uniforms will be cleaned at the Township's expense at a location picked by the Township, and shoes are to be considered part of the uniform.

12. Holidays:

12.1 The following twelve (12) days shall be celebrated as paid holidays by all members of the Police Department:

New Year's Day	Labor Day
Washington's Birthday	Columbus Day
Good Friday	Veteran's Day
Easter Sunday	Thanksgiving Day
Memorial Day	Christmas Eve
Independence Day	Christmas Day

12.2 In addition to those holidays previously listed, each member of the Police Department shall receive two working days as personal holidays to be taken off at the officer's discretion, with the approval of the Chief of Police (or any officer empowered to act on the Chief's behalf). No additional monetary compensation shall be paid in the event these holidays are not utilized.

12.3 The lump sum payment in lieu of having the listed holiday off shall be combined with the annual salary of members and no additional compensation shall be paid for the holidays.

13. Vacation Leave:

13.1 Members of the Association shall be entitled to annual paid vacation hours in accordance with the following schedule:

	1993	1994	1995	1996	1997
0-5 years	96	96	96	96	96
5-10 years	120	120	120	120	120
10-20 years	160	160	168	172	176
20+ years	200	200	216	220	224

13.2 Annual leave not used in a calendar year may be saved and used during the following year. Only one year's accumulated leave may be saved, however, and if accumulated leave is not used by December 31 of the year, it will be deducted from the employee's leave account. Any exceptions to this rule must be approved by the Township Committee.

13.3 The "Completed Years of Continuous Service" shall be in accordance with Civil Service.

13.4 Vacation periods of one week or more shall be coordinated by the Chief of Police and shall be requested by the employee, in writing, with copies to the Chief of Police at least two weeks (2) in advance.

13.5 Once vacation time has been selected by a member and approved by the Chief of Police, that vacation time shall be honored and shall not be changed by the Township, except in the case of an emergency determined by the Chief of Police where the cancellation of the scheduled vacation is deemed necessary in order to properly provide for public safety.

13.6 The vacation leave shall be pro-rated for any member leaving during the course of the year. A member who has not used the pro-rated vacation time to which he was entitled shall be paid for the unused vacation leave. A member who has used more vacation time than the pro-rated vacation time to which he was entitled shall be required to reimburse the Township for the unearned vacation leave.

14. Sick Leave:

14.1 All full-time members of the Police Department shall be granted sick leave as outlined in the Civil Service Rules and Regulations.

14.2 Sick leave will be paid only when an employee, or a member of his immediate family, notifies his supervisor of his absence prior to his scheduled starting time.

14.3 Employees may use sick leave, with the approval of the Chief of Police, for absence due to illness, injury or exposure to contagious disease which could be communicated to other employees. If the Chief of Police has reason to believe that any employee is abusing the sick leave provision, he may place the employee on notice that the employee shall be required to supply a medical doctor's certificate of cause for any future claimed sick leave.

14.4 The Township shall establish an annual physical program, to be paid for by the Township, which shall require that each officer take and pass a physical examination to determine that they are physically fit to perform the duties of their office.

14.5 Any person covered by the provisions of this contract who becomes sick or injured in the line of duty shall be granted full pay until the beginning of Worker's Compensation benefits. Such time shall not be credited against that person's sick leave account. Any money received under Worker's Compensation, however, excluding claim settlements, shall be reimbursed to the Township to the extent it represents funds paid by Worker's Compensation benefits, and the Township agrees to pay the employees covered by this contract the difference between Worker's Compensation benefits and their full base salary for a period not to exceed one year from the date on which the employee becomes sick or injured in the line of duty.

14.6 Sick leave shall be deducted from the employee's accrued sick leave at the rate of one day for each work day, irrespective of the number of hours contained within the employee's work day.

14.7 During the period of disability, the Township reserves the right, at reasonable times and under reasonable circumstances, to require a person covered under the provisions herein, to undergo a physical examination by a physician of the Township's choosing. When the physician determines that an employee may return to work, the Township shall cease paying the employee unless he returns to work. In the event the employee is dissatisfied with the Township's physician's opinion, he may (at his own expense) seek a second opinion. Both the Township and the Police Department agree that the Township shall obtain from the Burlington County Medical Society a list of five physicians qualified in the area of expertise covering the employee's medical condition, and the list shall be submitted to the employee within forty-eight hours of receipt. Within forty-eight hours of submitting the list to the employee, both the Township and the employee shall select and rank in order of preference three physicians from the list. If only one physician is the same on both lists, the physician shall be selected for a third opinion. If more than one physician is on both lists, the Township shall determine which of the duplicate physicians the employee is to consult to obtain a third opinion. If the third opinion supports the employee's contention, the Township shall pay for the third opinion and reimburse the employee for the second opinion. If the third opinion supports the Township's physician's contention, however, then the employee shall pay for the third opinion. The decision of the third physician shall be final and binding on all parties.

14.8 In the event that an employee shall receive compensation from the Township as set forth in this Section and subsequently be determined not to be eligible for Worker's Compensation benefits, the funds paid by the Township shall be deducted from the funds due to the employee from the Township.

14.9 The Township may require a further certificate from a doctor designated by the Township that the employee is physically able to return to full work duties. In any case where the Township requires a certificate from a doctor

designated by the Township, the costs relating to the examination and the issuance of the certificate shall be the responsibility of the Township.

14.10 Each member shall be entitled upon separation to receive a lump sum payment as supplemental compensation for the earned and unused accumulated sick leave which is credited on the effective date of separation. The supplemental compensation payment shall be computed at the rate of one-half of the hourly rate of pay for each hour of earned and unused accumulated sick leave based upon the average annual compensation at the time of separation divided by 2080, provided, however, that with respect to any member hired after January 1, 1995, no such lump sum supplemental compensation payment shall exceed \$12,000.00. Due to budgetary limitations and the impact which payment of the cash settlement provided by this section would have on the fiscal affairs of the community, the Township shall have the right to postpone the payment of the settlement provided by this section to a retiree until one (1) month after the final adoption of the Municipal Budget in the post-incumbent year to enable the Township to pay out of the next ensuring budget the funds provided for under this section.

14.11 Retirement shall include early retirement or disability retirement under the applicable Rules established by the Department of Civil Service or by the Division of Pensions based upon eligibility to apply for and receive a pension in accordance with the rules and regulations of the Police & Fireman's Retirement System.

15. College Credits: Members who wish to obtain college credits in a field related to law enforcement shall be entitled, as an additional yearly compensation, to the sum of \$20.00 for each semester hour of college credits obtained, provided that the maximum sum payable to any one officer who has not obtained a degree during any one year under this category shall be \$800.00. The maximum sum payable to any one officer who has earned a degree in a field related to law enforcement during any one year under this category shall be \$1,200.00. Before payment, each officer shall furnish a transcript of his successful completion of the course with a C or better average, or proof that a degree has been obtained. The money required under this Article shall be paid during the month of December of each year of the contract.

16. Retirement Coverage: Each eligible member will be enrolled in the New Jersey Police and Firemen Retirement System.

17. Health Insurance and Perscription Plan Coverage: There shall be provided for all the full time permanent members the following insurance:

17.1 The Township shall provide health insurance coverage and a perscription plan. The percentage of the cost of the health insurance plan and perscription plan to be paid by the Township and full time permanent member shall be as follows:

EMPLOYEES HIRED PRIOR TO JANUARY 1, 1995 - TOWNSHIP 100%
EMPLOYEES HIRED AFTER JANUARY 1, 1995 - TOWNSHIP 80%
EMPLOYEE 20%

17.1.1 The plans provided are as follows: HIP/Rutgers Health Plan, Keystone Health Plan New Jersey or US Healthcare for all full-time permanent members of the Police Department.

17.2 In the event that an employee covered under the provisions of this contract takes a total disability retirement based on an injury sustained in the line of duty, the Township agrees to continue to pay the Township's percentage of the total premium payment for HIP/Rutgers Health Plan, Keystone Health Plan New Jersey or US Healthcare coverage and perscription plan for a period of two years from the date that the employee was totally disabled, or until eligible for Medicare, whichever comes first.

17.3 The Township agrees to pay the Township's percentage of the total premium payment for the HIP/Rutgers Health Plan, Keystone Health Plan New Jersey or US Healthcare coverage and perscription plan for a period of five years from the date that an employee has retired after twenty-five years or more of continuous service with the Township of Delanco. After this initial period of five years, the Township agrees to pay one-half of the Township's percentage of the total premium payment for the same HIP/Rutgers Health Plan, Keystone Health Plan New Jersey or US Healthcare coverage until age 65. The above benefits shall not apply if the employee involved obtains other covered employment. Any employee seeking the benefit of this section shall annually provide the Township with a letter from each employer stating that this employee is or is not eligible for a health benefits plan. A copy of the health benefits plan shall be included with the letter from each such employer. The aforesaid benefits and payments shall be subject to all conditions set forth within existing policies and payments shall be subject to all conditions set forth within the existing policies at the time of disability or retirement.

17.4 For purposes of this Agreement, coverages shall include single, husband and wife, or family coverage as applicable to the individual employee.

17.5 The Employee shall have the right to elect coverage under the various plans which may be made available through the Township, subject to enrollment periods established by the plan providers.

17.6 The Township reserves the right to add insurance plans or carriers so long as substantially similar benefits are provided.

17.7 Accident Policy: All full-time permanent members of the Police Department shall be insured for \$10,000.00 under an accident policy paid by the Township, with benefits under this policy to be paid to the employees or their designates. In the event an employee shall retire, either upon a disability as set forth within this paragraph or after twenty-five or more years of continuous service, the Township

agrees to turn over the beneficial ownership of the \$10,000 life policy provided, however, that subsequent payment of the premiums shall be made by the employee, and also provided that the particular insurance carrier involved agrees.

17.8 Police Professional Liability:

17.8.1 The Township recognizes its obligations under R.S. 40A:14-155. Whenever a member shall become a defendant in any legal proceeding arising out of or directly related to the lawful exercise of police powers in the performance of his official duties, the Township shall provide the member with the necessary means for the defense of such action or proceeding.

17.8.2 The Township shall provide for not less than one million dollars in insurance coverage for false arrest and civil liability arising out of or directly related to the lawful exercise or performance of his or her official duties, except for punitive or exemplary damages or damages resulting from the commission of a crime.

18. Maintenance of Work Operations:

18.1 The Association hereby covenants and agrees that during the term of this Agreement, neither the Association nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any job action, (i.e. the concerted failure to report for duty or willful absence of any employee from his or her position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out or other illegal job action against the Township.

18.2 The Association agrees that it will make every reasonable effort to prevent its members from participating in any job action such as described above.

18.3 Nothing contained in this Agreement shall be construed to limit or restrict the Township or the Association in their rights to seek and obtain such judicial relief as either may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach.

19. Part-Time Employment:

19.1 Members of the Association who wish to engage in outside part-time employment in a Delanco Township Police Department uniform, whether in or outside the boundaries of the Township, must make application to the Chief of Police and obtain approval from the Chief of Police and the Township Administrator of the part-time employment.

19.2 Approval may be denied if the proposed outside employment will result in a conflict with the employee's police duties.

19.3 In the event that permission is not granted by the Chief of Police and the Township Administrator, the employee may appeal the decision to the Township Committee. The decision of the Township Committee shall be final.

19.4 Part-time employment shall not be permitted in any case where it would make the Township liable for overtime pay or for any increase in its payroll, insurance or contributory costs.

19.5 Effective January 1, 1995, whenever any outside employment shall be for security or police related purposes, when in a Delanco Township Police Department uniform, the employment shall be arranged through the Chief of Police with the review and approval of the Township Administrator; shall require a agreement between the Township and the outside employer whereby the outside employer will pay the Township at a rate to be established by the Township as sufficient to cover all costs related to the services provided, including overtime pay, fringe benefits and an administrative charge. The Township may require any outside employer to maintain adequate insurance to protect the employee and the Township as additional insureds in the event of any claims arising out of such outside employment. The amount of insurance required of the outside employer shall not exceed the limits of coverage that the Township maintains for its own protection. The opportunities for such employment shall be offered on a rotating basis, beginning with the most senior employee. Any employee who is offered the opportunity shall, whether the opportunity is accepted or declined, move from the top of the seniority list to the bottom of the list so as to ensure rotation and a fair opportunity for all employees. An offer of outside employment which cannot be accepted by an employee due to a conflict with scheduled time that the employee is required to be on duty with the Township shall not be considered to be declined for the purpose of rotation of position on the list of those available for such outside employment.

20. **Benefits to Be Pro-Rated:** In the event that a member of the Association becomes initially employed in the Police Department, any benefits which he or she would enjoy under this Agreement, where applicable, shall be applied pro rata to the number of days of employment based on a 365 day year.

21. **Payroll Deduction of Association Dues:** The Township agrees to deduct the dues of members of the Association from the wages due to those members in accordance with a certification provided to the Township Administrator and Chief Financial Officer and signed by the President and Treasurer of the Association setting forth the amount of the dues and the names of the members of the Association. The deductions shall be in an equal amount for each pay day during the year. The Association agrees that any changes in the membership of the Association by adding new members or by deleting existing members and any change in the amount of the dues to be deducted shall require that a new certification shall be provided to the Township Administrator and Township

Chief Financial Officer and that such certification shall become effective with the first payroll after receipt of the certification.

22. **Past Practices:** This Agreement supersedes any past practice not otherwise covered by this Agreement and it supersedes any previous Agreement, verbal or written between the parties or any of them.

23. **Severability:**

23.1 In the event that any provision of this agreement shall be determined by competent authority to be invalid or unenforceable for any reason, the remainder of the provisions of this agreement shall not be affected thereby, but shall continue in full force and effect.

23.2 It is specifically agreed that in the event any provision is finally declared to be invalid or unenforceable, the parties shall meet within thirty days of written notice by either party to the other to negotiate concerning the modifications or revisions necessitated by such declaration.

23.3 It is further agreed that this is a fully bargained-for contract and that all terms and conditions herein have been the product of collective bargaining negotiations, and that there are no other understandings or agreements except those set forth in this contract.

24. **Full Understanding:** This Agreement constitutes the entire understanding of the parties. It is the intent of the parties that during the term of this Agreement that neither side shall be required to negotiate or to re-negotiate over any of the subjects herein contained and that the contractual understanding between the parties shall, during the term of this Agreement, be governed by the provisions hereof.

25. **Term of Agreement:** This Agreement shall cover the period beginning January 1, 1993, and shall expire on December 31, 1997. Additionally, this Agreement shall continue in full force and effect thereafter from year to year unless either party notifies the other in writing at least ninety (90) days prior to the budget submission date or the expiration of the contract, whichever shall first occur, as established by the Public Employment Relations Commission, of its election to terminate or modify this Agreement.

26. **Effective Date of Agreement:**

26.1 This Agreement shall take effect when the Agreement has been executed by both parties.

26.2 The Association represents by its execution of this Agreement that it has been approved by a majority of the membership at a meeting of the members and after compliance with any notice requirements established by the By-Laws of the Association.

26.3 The Township represents by its execution of this Agreement that the Agreement has been approved by the

Township Committee and that the Mayor and Clerk have been properly authorized to sign the Agreement on behalf of the Township.
